11. Describe accurately and fully in your own words exactly what occurred in the ten minutes prior to the occurrence, what occurred during the occurrence, and what occurred during the ten minutes after the occurrence including anything said by you or to you.

**RESPONSE TO NO. 11:**

I was unlocking a cone with a pole between rows 15 and 16. My right foot was on the catwalk and my left foot was on a padeye on the hatch lid. My left foot slipped and I lost my balance and fell. My left leg went into the gap between the catwalk and the inshore side of the

hatch lid and I was stuck. I was yelling for help for awhile, then Dan Farney helped me get out of the gap.
